

Homeopathy Department

Bachelor Degree Admission Application Course Details

The Bachelor degree in Homeopathy is a science based on clearly defined principles and the natural laws of healing. The practice of homeopathic medicine applies holistic science and philosophy to the individual patient providing an overall remedy and not just symptomatic therapy. It is a total health care science with dramatic results in many ailments that are traditionally only treated on the outer surface. Homeopathic practitioners' treatment and medicines assist the natural tendency of the body to heal itself. It recognizes that all symptoms of ill health are expressions of disharmony within the whole person, and that it is the patient who needs treatment, not the disease.

Entry Qualifications

- 1. Senior High School completion or higher
- 2. Proof of work experience, used for evaluation and approval by the school authorities for entry qualification.

School Hours That Meet Your Time Schedule

In accordance with regulations governing classroom attendance, classes can be planned and scheduled on weekends and National Holidays as not to interfere with student regular working hours.

Further Education application requirements and procedures:

- 1. Completion of application form
- 2. Presentation of documents of previous educational achievement (transcripts)
- 3. After completion of formal school registration, student identity card will be issued

Future prospects:

Upon graduation, graduates will become part of a successful community of homeopathic colleagues who are making a real difference in the health and well-being of their respective communities. Homeopathic practitioners are offering realistic care and remedy to many of the acute and chronic illnesses inflicting millions, helping the sick return to wellness, rapidly, gently and permanently in a natural self healing process.

Curriculum:
