## Social Work Department

### Doctor Degree Admission Application Course Details

Social work is a profession devoted to helping people function the best they can in their environment. This can mean providing direct services or therapy. It also can mean working for change to improve social conditions. The Social Work Doctoral Program prepares students to assume a variety of leadership roles within the profession as advanced clinical scholars and practitioners. The core curriculum is organized around courses on the philosophy of science and practical clinical social work, advanced research methods and analysis of major policies and practice trends in advanced levels of clinical competence. If you're looking for a career with meaning, action, diversity, satisfaction, and an abundance of options, consider social work. Social workers are people who care about people, who want to make things better, who want to relieve suffering, who want their work to make a difference.

#### Entry Qualifications

1. Master Degree Completion
2. Proof of work experience, used for evaluation and approval by the school authorities for entry qualification.

#### School Hours That Meet Your Time Schedule

In accordance with regulations governing classroom attendance, classes can be planned and scheduled on weekends and National Holidays as not to interfere with student regular working hours.

#### Further Education application requirements and procedures:

1. Completion of application form
2. Presentation of documents of previous educational achievement (transcripts)
3. After completion of formal school registration, student identity card will be issued

## Future Prospect:

For sheer variety, few occupations can match social work, which offers the broadest range of opportunities and settings. Social workers are found in public agencies, private businesses, hospitals, clinics, schools, nursing homes, private practices, police departments, courts, and countless other interesting workplaces. Social workers serve individuals, families, and communities. They are managers, supervisors, and administrators. They serve at all levels of government. They are educators. They are therapists and researchers. More and more, they are also elected political leaders and legislators.

## Curriculum
