Doctor Degree Admission Application Course Details

Doctor of Education degree (EdD) designed to prepare educators for a variety of leadership positions in educational system. Teaching in the EdD program is practical and applicable to current school issues, such as models of leadership, organizational systems, ethical decision-making, school change, and educational policy.

If you want to become a superintendent or a district office administrator, then this program is for you. Or, if you're interested in other education-related careers, such as nonprofit and higher education administration, the EdD program can help you achieve your goals.

The EdD program encourages you to develop an expertise appropriate to your professional and academic goals. Areas of specialization include executive leadership, digital education leadership, literacy, curriculum and instruction, and a self-designed program. Earning certification as a superintendent, principal, or program administrator can be accomplished while working on the doctoral degree.

Entry Qualifications

1. Master Degree Completion
2. Proof of work experience, used for evaluation and approval by the school authorities for entry qualification.
