## Music Department

### Doctor Degree Admission Application Course Details

The Doctorate degree in Music has a strong focus on music theory and musicology. It is designed to prepare educators in the techniques as they apply to their career in the classroom. The program enhances music educators' career advancement without interfering with their existing professional career. Students will thoroughly investigate the philosophy, history, sociology, and psychology of music education and learn and discover new and innovative teaching techniques and methodologies.

#### Entry Qualifications

1. Master Degree Completion
2. Proof of work experience, used for evaluation and approval by the school authorities for entry qualification.

#### School Hours That Meet Your Time Schedule

In accordance with regulations governing classroom attendance, classes can be planned and scheduled on weekends and National Holidays as not to interfere with student regular working hours.

#### Further Education application requirements and procedures:

1. Completion of application form
2. Presentation of documents of previous educational achievement (transcripts)
3. After completion of formal school registration, student identity card will be issued

## Future Prospect:

Musicians, composers, conductors, performers, and other academic music connoisseurs can enhance their existing knowledge and improving their musical talents. Graduates become qualified to teach university-level music education, fill leadership roles in music schools, provide private music lessons, give recitals and presentations of original musical compositions, or perform professionally in a variety of venues. Job opportunities as presidents or directors of music schools or conservatories and composers are well paying positions. Some individuals may take to the marketing end of the music industry with their new found knowledge.

## Curriculum
